Atch/Statement of Work

STATEMENT OF WORK

Thirteen HYAC I Camera Systems have been received, as Government Furnished Equipment, for refurbishment.

Ittek's activities will be consistent with their original participation in this program, and the following tasks are therefore acknowledged:

I. CAMERA

- A. Removal of all lenses from cameras
- B. Shipment of all cameras to HYCON
- C. Liaison with HYCON

II. LENS

- A. Laboratory Testing of all lenses
- B. Shipment of tested lenses to HYCON

III. ELECTRONICS

With the exception of the Programmer [REDACTED], refurbishment and laboratory tests of all components, and stabilization system tests of all units.

IV. WINDOWS

- A. Laboratory testing of all windows

V. TRAINING OF FIELD ENGINEERS

VI. FINAL REPORT

The period of performance for the above work shall be from 30 April 1963 and will be completed on or before 15 October 1963.

Payment for the above services shall be made on a Time and Materials basis predicated on the following listed labor rates.
